

**NUPROL**

## **PRODUCT RECALL**

The following notice has been issued by Nuprol Ltd:

Nuprol is recalling its full line of Combat Pro eye protection. In some models a fault has been discovered that could lead to the lenses falling out of the frames if impacted.

This means the product is a possible health risk for anyone using these for war gaming purposes.

### **Product details**

Product: Nuprol Combat Pro Glasses ALL LENSE COLOURS.

6043-CL

6043-SM

6043-YE

No other NUPROL products are affected.

### **Risk**

Lenses could be unsafe.

A fault has been discovered in some Combat Pro's that could lead to the lenses falling out of the frames if impacted.

### **Our advice to consumers**

If you have bought the above product please return it to the store from where it was bought for a full refund.

If you are a trade customer and you have been effected please contact us ASAP to arrange a return.

### **Action taken by company**

NUPROL is recalling the above product from retail customers and instructing those retail outlets of the problem so they can also reach out to consumers for a recall and refund.

### **Company statement**

Nuprol apologise for any inconvenience caused and would like to state that this is an isolated case.

We are issuing the recall because Nuprol take safety very seriously.

Only the above models could have been affected and all of the other Nuprol eye protection has NOT been affected.
